## KILOHANA HAS AN "ALOHA" EVENING

Saturday evening the A. S. Wilcox home, "Kilohana," was *en fete* to wish bon voyage to friends and relations who are leaving soon for a trip to the San Francisco Fair.

Very chaste and beautiful were the decorations in pink and white on a back-ground of maiden hair fern. The feast of Hawaiian delicacies was spread with a prodigious hand, and sixteen of the "Youth and Beauty" of Lihue, the guests of Mr. and Mrs. Albert Wilcox, made a merry party.

While the guests lingered around the table and sipped the creme de minthe, the host of the evening rose and called for the Aloha toast for the departing friends which was enthusiastically pledged, and thereafter, on the invitation of the host and hostess, the party "took in" the movies, and thus terminated the evening, which was full of fun and merriment for all.

The guests were Mr. and Mrs. C. A. Rice, Mrs. Soper, Mr. and Mrs. Coney, Mr. and Mrs. C. H. Wilcox, the Misses Elsie and Mable Wilcox, Mr. and Mrs. Gaylord Wilcox, Mr. and Mrs. W. N. Stewart, Mr. De Lacey, and Mr. and Mrs. Albert Wilcox.

## A Mysterious Prowler

A mysterious prowler, a Filipino, was before Judge Hofgaard in the Waimea court Saturday and given three months in jail on a charge of vagrancy. It appears that the man had entered several houses in Pukala camp on devious occasions, but, so far as could be made out, stole nothing. He had earned the reputation of "mysterious prowler" down there. Another Filipino is under arrest at Waimea for examination as to his sanity.

## MR. WEBER'S AUTO WRECKED ON ROAD

A road accident that fortunately did not result seriously took place on the Lihue side of Wailua Sunday, the car of Manager F. Weber, of Lihue Plantation Co., having two wheels broken and being otherwise wrecked.

An auto truck, carrying a baseball team, driven by one Morioka, was proceeding toward Wailua and was being met by the Weber car. At that juncture a new car, driven by one Nomura, who, by the way, was instructing the owner of the car how to drive—came up behind the Weber car and dashed between that machine and the auto truck.

Mr. Weber, seeing that a collision was inevitable, quickly turned his car to the right and struck the stone wall at the side of the road, breaking his wheels. Had he not done that the three cars would doubtless have come together with almost certain fatal results.

Nomura was arrested and appeared in the Lihue district court yesterday morning, where he was fined \$10.

All of the cars, at the time of the accident, were full of passengers.

## WILL OVERHAUL WAIMEA PHONES

Superintendent Morrow, of the Kauai Telephonic Company, makes the interesting announcement that the service in and around Waimea is to be greatly improved in the very near future. Koloa, Elele and neighborhoods have already been overhauled, and Waimea will come next.

The present lead of poles in Waimea will be changed, and will in future run down the main thoroughfare of the town in place of cross lots. The lines will be overhauled completely and the metallic system installed. This will be an improvement which will be noted at once.

The changes will bring about some alterations in the numbers of telephones. As many of the old ones as possible will be permitted to remain as they are, but quite a few will be changed.

Mr. Rice has not given a complete outline of his plans yet, but his friends are expecting to see a pretty nice farm there in the near future.

Mr. and Mrs. Alfred Rodrigues, of Kapaa, wish to extend heartfelt thanks to friends for sympathy in their recent bereavement in the loss of their young daughter.

## COLLISION ON ROAD NEAR KOLOA

Deputy Sheriff W. O. Crowell and party and the Acting Manager of the Lihue Electric Light & Power Co., were mixed up in a collision on the Koloa side of the Half way bridge about 7:30 Saturday, evening as a result of which the latter machine is in an auto hospital and the driver was fined \$25 and costs in Judge Dole's court yesterday morning.

Crowell and little girl, A. G. Kaulukou, wife and child and Misses Jacobsen and Pieler, of Hanalei, were in the big car of Clem Gomes, proceeding toward Koloa, at a speed which they testified was not over 20 miles an hour. The Electric Company's car was the worst damaged, for the reason, perhaps, that it was a light machine.

In the court the defendant stated that he had had one drink before leaving Koloa, and admitted that he drank every day.

Defendant noted an appeal to the Circuit Court and has retained J. H. Coney as his attorney.
